

ECOWAS COMMISSION
COMMISSION DE LA CEDEAO
COMISSÃO DA CEDEAO

Regional Programme to Support Agricultural Professional and Farmers' Organisations (PRAOP) phase 3

With the technical and financial support of:

Schweizerische Eidgenossenschaft
Confédération suisse
Confederazione Svizzera
Confederaziun svizra

Swiss Agency for Development and Cooperation (SDC)

www.araa.org

Overall objective

To help reduce rural exodus and uncontrolled emigration among young people by facilitating their integration into the agrosilvopastoral and fisheries sectors and into agri-food value chains in West Africa and Chad.

Specific objective

To improve young people's (men's and women's) access to decent, gainful employment in local milk value chains in the targeted areas through initiatives led by ECOWAS, the Member States, agricultural professional organisations and the private sector.

Budget

7,648,651,200 FCFA

- DDC (77%) : 5,910,000,000 FCFA
- ECOWAS (18%) : 1,407,246,600 FCFA
- Project Holders (5%) : 331,404,600 FCFA

Areas of Intervention

08

ECOWAS Member States

03

AES Member States

Chad

Components

- Promotion of technical and economic models to strengthen youth employability in ASPH value chains and promote local milk;
- Creation of an enabling environment for the development of local milk value chains;
- Strengthening ECOWAP's operational capacity and strategic steering.

Project Period

2022-2027

24

technical and economic models in the local dairy sector are being implemented in 11 West African countries and Chad

Improving dairy production and Livestock Feed

123

dairy farms established

324

hectares of forage
fields planted

30

water points installed with
solar-powered pumping
systems

1012

cows inseminated

Collection, processing and distribution of local dairy products and specific equipment

31

mini-dairies established

41

new collection centers established

4,025,513

liters of milk collected

3,965,524

liters of milk processed

Provision of innovative financial and non-financial services that create jobs for young people

+75,000

young beneficiaries trained and supported through the technical and economic models implemented

29,955

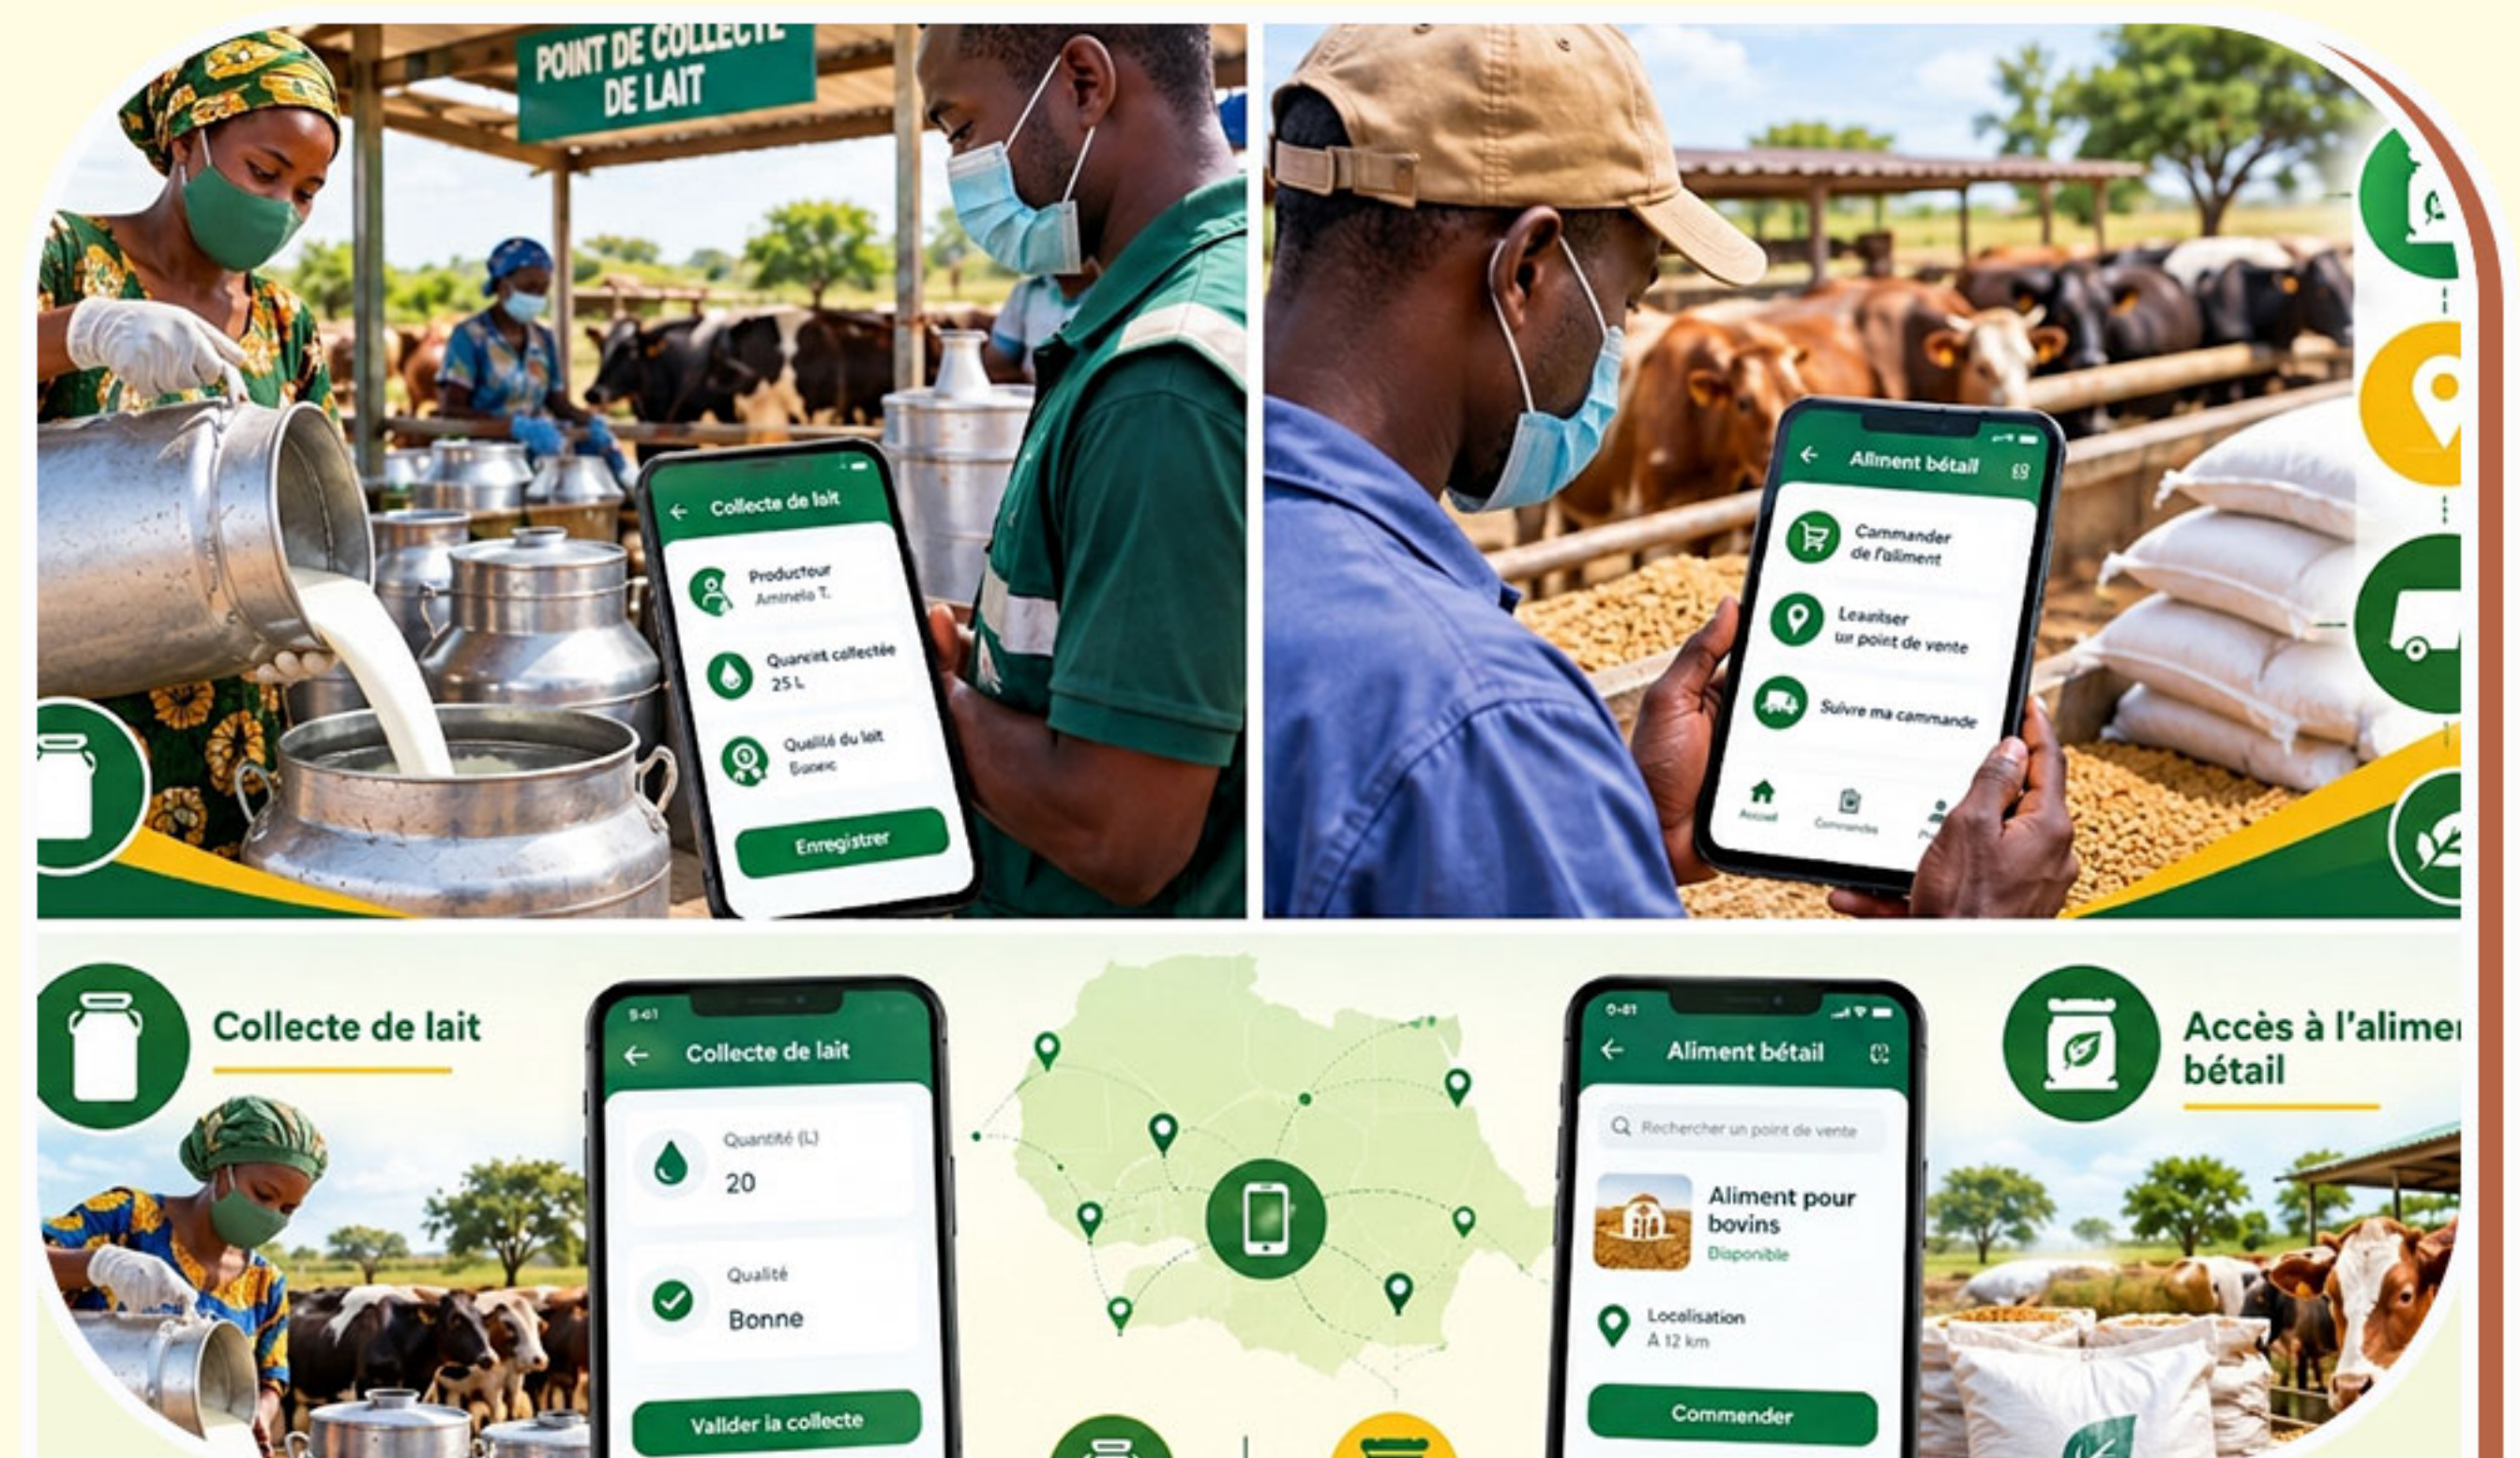

new jobs created (15,232 for young women and 14,723 for young men)

09

national professional interns recruited to support the field-project implementing organisations

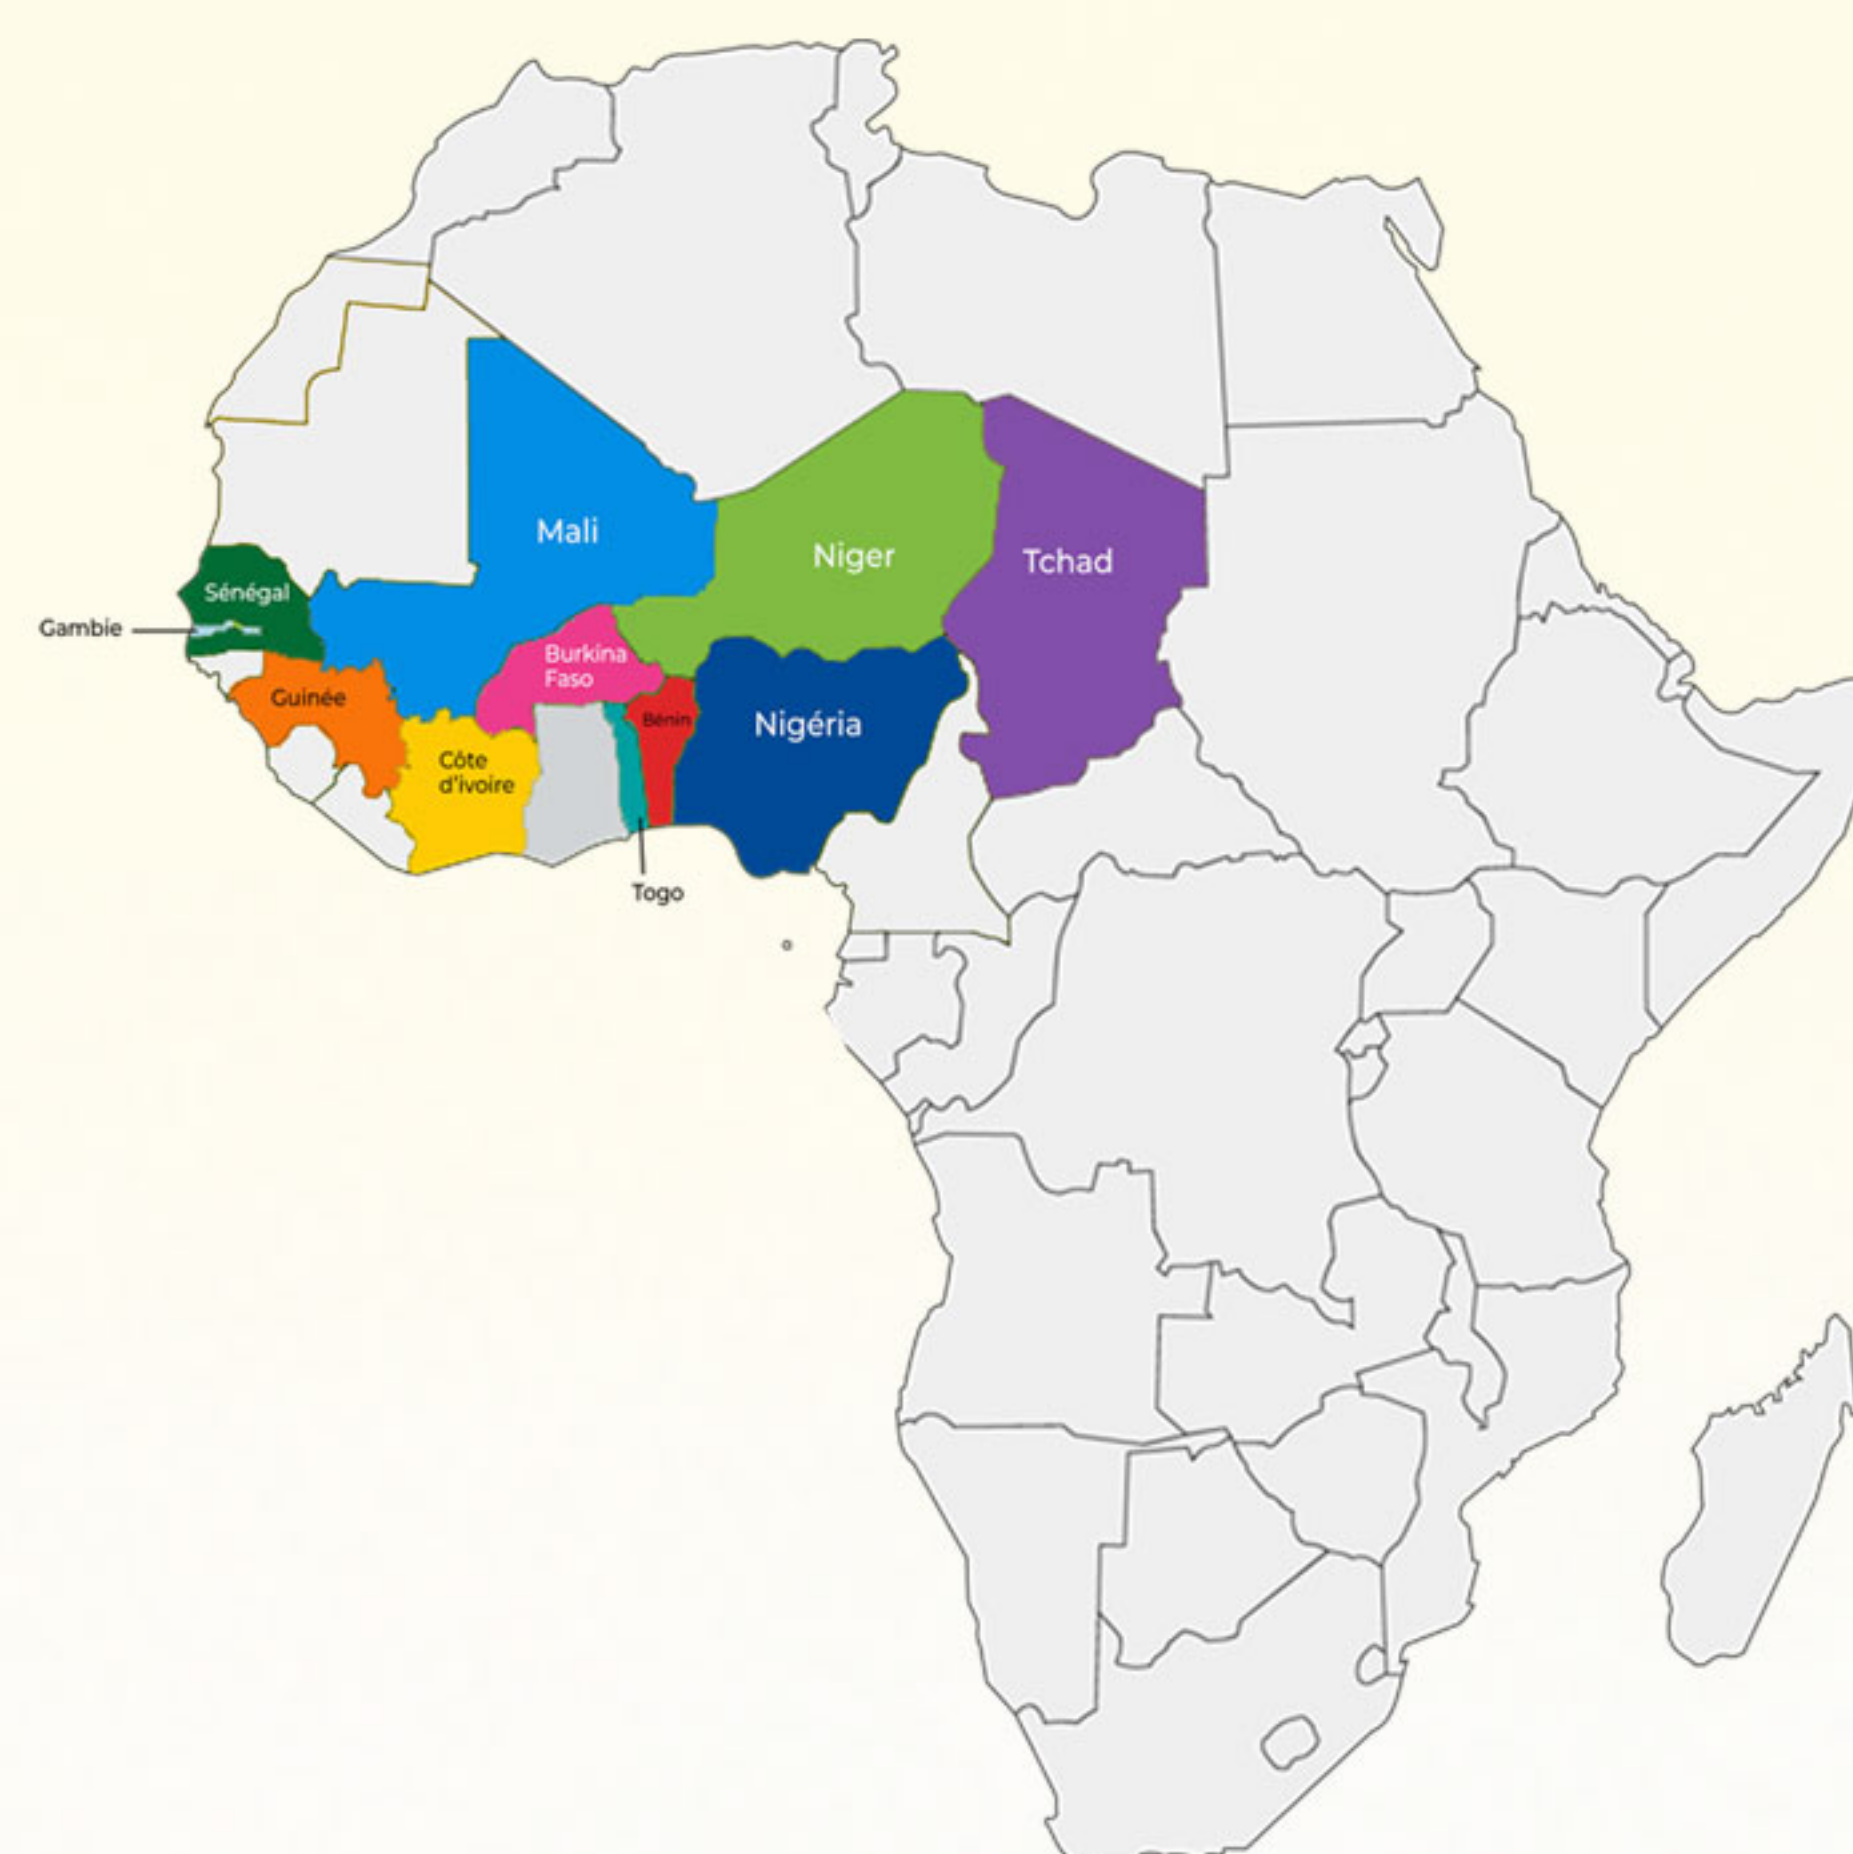

05

digital software developed by RBM to facilitate milk collection and access to livestock feed

Beneficiary Countries

	Benin
	Burkina Faso
	Cape Verde
	Côte d'Ivoire
	Gambia
	Guinea
	Mali
	Niger
	Nigeria
	Senegal
	Togo
	Chad
